Second Annual Pajama Jog Helps the Homeless

Our first year was such a success, we had to come back and do it again! Come join us for the Second Annual 5k Pajama Jon at Denver's City Park on August 25, 2012. Last year we had over 175 participants (over 200 if you count the canine running buddies), and this year we hope to top that. With a live DJ, costume contest with awards to the best dressed three males, females, and kids, this year promises to be more fun than ever. Like last year, we plan to send participants out in waves of walkers, joggers, and runners, so that everyone can feel comfortable with their chosen group. Last year we raised enough money to buy 65 sleeping bags for the homeless, and this year we can do even more.

The cost for this run is \$20-30 which includes an event water bottle, camaraderie with fellow running enthusiasts, and the knowledge that you have spent the morning having fun and helping others. Please come and support Sleep Tight Colorado as we once again strive to make a difference in the lives of others.

Support from local business include D Bar, Source Four, Sleep Nation and Yelp.
